Subject: Weave Your Heart Help Wanted

As we plan for the 2013 IAGSDC Convention the Bay Pearls board decided that we could really use some expertise with Corporate Sponsorships. We are looking for a person (or persons) who can identify and work with major donors to solicit their financial or in-kind contributions to the convention. We have done well with raffles and dance fundraisers so far, but if we can get underwriting from local merchants and national corporations it would help our bottom line and enhance the quality of the convention. If there are individuals in your clubs who wish to volunteer to help with this specialized type of fundraising, please have them contact Lorenzo Taylor at taylorlorenzo@aol.com.
